

# "Freedom, Food & Fun"

in Philadelphia

3 days / 2 nights

Philadelphia . . . the city where American democracy was born, where culture abounds, and where students should go to discover the diverse history and culture. Begin with the Quakers, specifically William Penn, who was determined to provide a place for all men to worship as they pleased.

Close to Valley Forge, students can relive some of the hardships our forefathers endured to gain our freedom. In addition, get up close and personal with revolutionary forces as they crossed the Delaware River to defeat the Hessians at Washington's Crossing.

Take in Hershey while in the area, and learn about an extraordinary man who built a town from chocolate and began an orphanage. Connection with freedom exploration? Come and find out. On the fun side include one of the several theme parks nearby—and enjoying chocolate is always fun.
