

ULTIMATE AMISH EXPERIENCE

Now we can offer a Full Evening with an Amish Family on their Farm in their Home

We will customize your package for you!

3 days / 2 nights

We are proud to announce a brand new program for your Central PA travel experience. **Complete your day of touring at an Amish farm with an Amish family.** They will welcome you into their home to share the evening meal. Your group will enter into the culture unlike groups have been able to do before. In a casual atmosphere of the evening, discussions will lead to how and why they live the way they do, how similar it is to raise children, their views and much, much more. Some of your group members may want to wander about the farm, assist in the kitchen or just relax on the porch and watch the sun set. This is a 2 1/2 to 3 hour experience.

For those groups who want to explore the Amish in-depth we suggest that you begin at **the Amish Experience** where you'll view the film **Jacob's Choice**, tour the **Amish House**, have a **lesson at the School** and even **ride in a buggy**. Learn how to cook the Amish favorites and even examine the bizarre foods. Add Gettysburg & Hershey to your package and you have a fantastic 3-day adventure!
