Service *beyond*
your expectations!

Dine in the Historic Dobbin Tavern as you are served one of Abraham Lincoln's favorite meals exclusive to All-In-One Tours. A meal much like the one Mrs. Wills served Lincoln, in her home, following the famous Gettysburg Address. A highlight for sure, but what is the story that led up to the meal?

Begin your adventure at the Diorama for an overview of the battle. Meet Mrs. Shriver a citizen caught in Gettysburg during the battle. Tour her house and discover what happened when the soldiers fought through the town. How did they survive and cope with the situation?

Next visit the Battlefield with a specially chosen historian who will tell you the human side from the three day battle. Meet Westly Culp, Jennie Wade and Jack Skelly through a story that intertwined this triangle along with many other human stories. Not a dry tour of the battle, but one that will excite even the mildly interested.

Following the tour the next stop is the Adams County Winery for wine tasting and visit from Abraham Lincoln. While enjoying a glass of wine and some cheese, Lincoln will relay his observations of the battle and the outcome. He will complete his visit with the Gettysburg Address.

The following day head to Lancaster for a unique Countryside tour that includes stops at three farms, two Amish and one English. Spend some time at Kitchen Kettle before heading home.
