FAM TOUR

August 11 & 12, 2010

...Think you have “been here and done that” in Lancaster County? ...Think you could not entice your group to experience the Amish because “they already know about them?” Let us prove you wrong as you and your guest take this FAM tour. We have a perfect location for either a day tour or an inexpensive overnight.

Lancaster has two dinner theaters, **Sight and Sound and American Music** and, the historic **Fulton** which have *Broadway caliber productions...Really!!!!*

All-In-One Tours offers a unique *Ultimate Amish Experience* which includes a **full evening on a working Amish Farm**. Three to four generations of an Amish family will greet your group and invite them into their home. As a guest you will have a *legal meal* and be able to enjoy a discussion throughout the meal and into the evening! This dining experience has been hugely popular!

Our “FAM” tour will take you into the heart of Lancaster County, where you will learn about **pretzel making**, visit a **one room school house with an Amish school teacher**, **Meet the Amish Family** that hosts the meal and, **visit an Amish farm that raises little horses**. You will also experience portions of two of our most popular city tours: **Pubs, Piety and Prohibition** and our **Market Bag tour**. We even have a **Haunted Ghost tour** that may interest your group.

In addition, you will spend a couple of hours at our **annual Marketplace** where you will be able to converse with suppliers. You will receive information for one day, overnight and extended tours. We have representatives of all the major cruise lines coming as well as some international suppliers, Convention and Visitors Bureaus, attractions and restaurants. You will go home with a wealth of travel information. Walk away with ideas, not just a bag full of material. We will give you plenty of time to talk with various suppliers and to network with others. **We have over 40 suppliers registered this year.**

What’s different this year? We will be conducting a seminar on how to build your group tours and travel program!

The Seminar will concentrate on:

- Informing you about all the tour and cruise services provided by All-In-One Tours, Cruises & Receptive Services
- Helping you decide on destinations
- Teaching you methods of increasing your travelers with latest trends in tourism
- Building your traveler’s loyalty through a unique travel program *with limited work*

The Marketplace will allow you to:

- Gather important travel, tour and cruise information for future reference
- Ask questions from some of the top travel consultants

The Lunch will give you the opportunity to:

- Network with other museum representatives and group travel leaders
- Win some fabulous prizes - **Grand Prize is \$100.00!**
