

# HOME FOR THE HOLIDAYS

## MOHONK MOUNTAIN HOUSE

### Decembers

“Winter’s magic and majesty are at their peak as the holiday’s approach! You are invited to begin your holiday celebration with a country Christmas that can only be experienced at Mohonk. Inside the Mountain House is decked in Victorian Yuletide splendor with swags, wreaths, kissing globes, garlands, and flowers, both unique and traditional. Seven beautiful decorated Christmas trees grace the parlors, corridors, and dining rooms, each one a dazzling display of handmade holiday crafts. Outside, the 60-foot Austrian Pine greets you into the cold, crisp air with 1,400 twinkling lights. The fireplaces are cozy and warm, beckoning you to kindle a joyful spirit as you anticipate the holiday ahead and reflect on memories from years gone by. Spend the day delighting in the sights, sounds, flavors, and fragrances of this festive time. All meals are included during your stay at Mohonk.

Also included in the package is a tour of Mills Mansion. Celebrate a “Guilded Age Christmas” at Mills Mansion State Historic Site in the hamlet of Staatsburg. You’ll marvel at the towering Christmas tree and splendid decorations.

Enjoy a stop at Michael’s Candy Corner where you will see how candy canes are made and hear a brief history of how it all started at Kingston Point back in 1917.
