

# “Holiday Stocking Stuffer Tour”

**Be sure to register for this holiday tour where everybody gets a stocking and several surprises with which to stuff it just in time for Christmas!**

Ephrata and Lititz are rich in local history. **Ephrata** is best known as the home of the Ephrata Cloister. However, one of the hidden treasures in Ephrata is **Seiverling’s Antique Car and Pedal Car Museum** housing a collection of over 150 antique pedal cars, pedal planes and pedal trains. Even if you did not have a pedal car when you were a child—this museum is sure to bring back memories. Then you will be given some “**vouchers**” and some free time to collect some “**surprise**” items to fill you stocking at several stores and quaint shops in downtown Ephrata where you will find hidden treasures to fit anyone’s budget and taste.

Your **lunch will be included** just north of Ephrata **at the Silver City Diner**—still displaying an original diner tag describing the style and date....today the diner has been enlarged and “serves up” a mighty good meal. Then...on to **Ten Thousand Villages** where you will receive a **candy bar for your stocking** and have a chance to purchase unique handcrafted items from artisans from developing countries.. And for a twist on incredible edibles, you will take a **brief tour and receive a small bag of pretzels** at the **Julius Sturgis Pretzel House**, located in Lititz on the site of the first pretzel bakery in the United States. The remaining afternoon is set aside for quaint and historic Lititz where Main Street is lined with 18<sup>th</sup>-century cottages and shops selling antiques, crafts, herbs and gifts. You will have some time to use your “**vouchers**” to collect some “**surprises**” for your stocking and perhaps enjoy visits to Café Chocolate, the Herb Shop, A Perfect Blend tearoom, or any one of the many boutique and specialty stores. Walking around downtown, you can’t help but notice the smell of chocolate wafting out of the **Wilbur Chocolate Factory’s Candy Americana Museum and Factory Outlet**. So, what better place to end the day and receive a **chocolate treat**? The factory produces 150 million pounds of product each year. The retail store sells the chocolate by the pound or by the piece and a variety of chocolate gift packages. And, the museum displays an amazing collection of antique chocolate pots from various countries around the world, chocolate candy molds, Wilbur products and packaging over the years and chocolate advertising memorabilia.

**Tour price includes Christmas stocking, Seiverlings Pedal Car Museum, several vouchers for products from Ten Thousand Villages and retailers in Ephrata and Lititz, lunch, meal tax and tip, applicable admissions, round trip motor coach transportation via Elite Coach and driver gratuity.**
