

“Secret Gardens & Historic Grounds”

*Spring is in the air...and what better way to celebrate than a walk through a “pleasure garden” designed to illustrate the beauty of the art of horticulture. **Chanticleer Gardens** the 35 acre estate of the late Adolph Rosengarten, Sr., once head of the chemical company Rosengarten & Sons has left this beautiful estate to be enjoyed by the public. You will enjoy thousands of bulbs, orchards of flowering trees, native wildflowers blooming in the woods. A vegetable garden, a cut flower garden accompanied by espaliered fruit trees.*

Following your garden tour, you will enjoy a delicious lunch at one of the local restaurants.

Next you will re board the motor coach and meet your **guide** at the Visitors Center at **Valley Forge National Park** and begin touring. Of all the places associated with the American War for Independence, perhaps none has come to symbolize perseverance and sacrifice more than Valley Forge. The hardships of the encampment claimed the lives of one in ten, nearly all from disease. Despite the privations suffered by the army, Washington and his generals built a unified professional military organization that ultimately enabled the Continental Army to triumph over the British.

Tour package includes Chanticleer Gardens tour, lunch, tax & tip on included meal, guided tour of Valley Forge including Chapel, guide gratuity and round trip motor coach transportation
