Steeple, Ships & Shellfish

Turn back the hands of time during the “**Steeple to Steeple**” tour in historic **Olde Towne Portsmouth**. Your guide and founder of Portsmouth, **Colonel Crawford** will take you from Colonial times through slavery, past the Underground Railroad and to an Eastern European style Orthodox Synagogue. What a fabulous ride! You will also have time to shop and dine in this beautiful historic seaport.

During your tour you will also sail aboard the **Victory Rover** to see the largest naval installation in the world, **Naval Station Norfolk**. You will enjoy a lobster dinner at the Freemason Abbey as well as indulging in a wine tasting at the **Sonoma Wine Bar** in Virginia Beach.

You can choose to take a surrey bike ride down the Virginia Beach boardwalk or simply relax by the ocean. Don't forget the unique shopping at 31st Street.

Finally you will head to what locals call “the Peninsula” to explore the **Hampton History Museum** where you will learn all about the History of Hampton as well as the other popular shellfish in town, the **Chesapeake blue crab**. Then it is off to the **Mariners' Museum** where you can climb aboard a full size replica of the famous ironclad, the **USS Monitor**.
