Service *beyond*  
your expectations!

The holiday season is a great time to visit Lancaster County. Where else can you see a spiritually-moving theatre performance, visit an incredible Christmas “museum,” have a great Pennsylvania Dutch style meal, *AND* participate in a cookie-baking class?

The highlight of the day is seeing the “Miracle of Christmas” performance at the Sight & Sound Millennium Theatre. This perennial favorite is a deeply meaningful presentation of the lives of Mary and Joseph and the birth of Jesus. Sight & Sound welcomes 800,000 guests each year and is known for spectacular original Biblical musicals performed on an epic scale.

You’ll also visit the National Christmas Center, a one-of-a-kind Christmas “museum” filled with magical life-sized walk-through exhibits that celebrate Christmas. Here you can relive precious memories, be a child again, and celebrate the true meaning of Christmas. It’s a definite must-see attraction!

Also included in this tour is a wonderful all-you-can-eat family-style buffet meal at the Hershey Farm Restaurant – featuring their famous fried chicken, real mashed potatoes, home-made shoofly pie, and so much more. Just before the meal, your group will take part in a cookie baking class. This brand-new experience will educate the group about how a popular Christmas cookie is made and will include some audience participation!

Whether you’re planning a day-trip getaway, or need something special to add to your multi-day tour – this special package is a perfect fit!
