

CELEBRITY KITCHENS COOKING DEMO AND WINTERTHUR

Delaware

At Celebrity Kitchens you will enjoy a unique, fun and social dining experience. A guest chef will cook tableside for you and with you. The end result is a delicious lunch, complimentary glass of wine and recipes to repeat the magic at home. It's a meal and a show combined !! You may even be called upon to assist the chef in the preparation of the meal. While half the group is enjoying lunch the other half will be at Winterthur Museum, America's Premier Museum & Garden. Then the groups will switch.

Winterthur, an American country estate, is the former home of Henry Francis du Pont (1880-1969), an avid antiques collector and horticulturist. In the early 20th century, H. F. du Pont and his father, Henry Algernon du Pont, designed Winterthur in the spirit of 18th- and 19th-century European country houses. A visit to Winterthur will immerse you in another time and place. Rediscover America's heritage through its unparalleled collection of antiques and Americana. Venture out over the fields and farmland to learn about the workings of a great Country estate. Wander through the breathtaking beauty of the 60-acre naturalistic Winterthur Gardens. Youngsters (and the young-at-heart) will wonder at the magic of Winterthur's famous fairy-tale children's garden and Enchanted Woods.

Includes: motorcoach transportation, cooking demo and lunch at Celebrity Kitchens, Winterthur Museum, driver gratuity.
