your expectations!**

Lancaster County is so much more than just the Amish and outlet shopping. Those are important aspects, of course, but this area offers much more to see and do, including Downtown Lancaster – the heart of Lancaster County.

During your “Explore Downtown Lancaster” tour, you’ll experience:

- Lancaster’s Central Market – the oldest continuously-operating farmer’s market in the country
- The Heritage Center Museum – where you can explore three floors of exhibits; everything from folk art to fine furniture – the visual works that decorated the homes and reflected the lives of some of the area’s most fascinating characters
- The Quilt & Textile Museum – view the permanent exhibition of the world-famous collection of quilts established by the Esprit Corporation, showing the tremendous range of techniques practiced by Amish quilt makers from the 1890s through the 1940s (other fascinating exhibits displayed throughout the year)
- Behind-The-Scenes Tour of the Fulton Opera House – go backstage at the oldest continuously-operating opera house in the country – you’ll hear about the famous people who performed here, and hear a couple of ghost stories too
- Guided Lancaster City Tour – a local step-on guide will take you around the city, while educating you about some of Lancaster’s most popular and famous sights; you’ll also learn about the City’s somewhat shady past during Prohibition, and see some beautiful murals
- Lunch can be arranged at any number of lovely restaurants, or it can be an on-you-own experience (at Market or a nearby deli or shop)
