Service beyond
your expectations!

During this tour, you'll not only see some of Lancaster's beautiful murals and learn about how they're created — you'll also have the opportunity to experience the basic steps of mural painting!

Muralist Karen Hunt will interact with the group as she talks about some of the murals she's created in Lancaster — several large outdoor works of art, as well as those on the interior walls of the Lancaster Heritage Center Museum. Guests will learn how murals are created, with a demonstration by the artist. Following the informational session, each group will experience “hands-on” the basic steps of mural painting — a fun adventure that anyone can do!

This tour includes a guided (mostly driving) tour of the murals of downtown Lancaster, as well as some information about the city's history along the way. Visitors will also spend time in the Heritage Center Museum, as well as the beautiful Quilt & Textile Museum.
